

Social Action Committee

Mission Statement:

The Social Action Committee using nonviolent methods will address local and global issues that threaten the peace and dignity of every person.

AGENDA:

- **Anti-Racism**

Promote the UUA policies of race and cultural respect. Organize programs and actions on various issues related to racism.

- **Environmental Action**

Work to educate the congregation on environmental issues, institute environmentally friendly practices at our fellowship facilities and promote environmental issues in local and federal government.

- **Hunger/Homeless**

Coordinate our participation in community efforts to eliminate hunger and homelessness.

- **Immigration Justice**

Promote immigration justice with the purpose of strengthening our democracy at home. Protect human rights.

- **Living the Welcoming/On the Side of Love**

Promote the UUA policies of gender acceptance in our congregation and bring gay, lesbian, bisexual, and transgender issues to the congregation in order to promote inclusiveness in our fellowship.

- **Peace and Justice**

Work to achieve peaceful solutions to conflicts throughout the world, promoting social and economic justice at home and abroad. Study conflicts with the purpose of offering solutions.
